

Host School Booking Information- ERCSD Mental Health Caregiver Education Series

The Children, Youth and Families – Addiction and Mental Health - Edmonton Zone (Alberta Health Services) will provide caregivers and teachers with incredible opportunities to increase their awareness of the mental health challenges that children and adolescents may experience. These information sessions are intended to provide caregivers, teachers, and community members with basic level information regarding addiction and mental health challenges that can and do affect children and youth.

Presenters: Mental Health Professionals with extensive knowledge of the treatment of addiction and mental health concerns impacting children, adolescents, and families.

Target Audience

The sessions are aimed at parents/caregivers, guardians, teachers, and school support staff. Some sessions are geared towards topics effecting elementary school kids while others apply more to teen issues. The majority of our sessions are for adults only though some sessions are open to both high school students and their parents. Presentations will be hosted by one school in each area, but all participants are welcome.

Schedule

Presentations can be scheduled on Tuesday, Wednesday or Thursday evenings anytime between 4:30-7:30. All presentations are 90 minutes in length. Sessions run during the school year. No sessions are scheduled on holidays or PD days.
